REPRESENTING

The exclusive Toque Tropical for Shahena beachwear range from Brazil is comprised of gorgeous, uniquely designed and intricately hand-embellished and hand-painted pieces, guaranteed to fulfil customers' desire for sexy, new, original and unique, glamorous and exciting styles of beachwear.

is not just about making clothing. Its design team are helping communicate the message and the mood of the products it is selling to the consumer to explore their individuality. Pro2type operates within boutique status. Having celebrity status strengthens the company's image and increases customer product awareness. This also guides the market and helps immensely in communicating the true message of the company to the public.

REPRESENTING

Ready-wear collection includes: tailored jackets, fitted coats, dresses, wrap skirts, corseted eveningwear and wedding gowns, trousers paired with softly gathered and draped tops for sophisticated women all over the world. Recently introduced into the UK Femini has been excellently received by small boutiques and independents.

Debbie Bryan

The collections are primarily made from wool and cashmere, hand cast resin and re-claimed materials that are sourced, knitted, manipulated, embellished and constructed by Debbie in the UK. Established collections include accessories for men; cufflinks and tiepins, design led knitted scarves and brooches, sculptural neckpieces, resin and textile brooches, and to showcase the haberdashery range, we have now introduced a series of belts with complimenting button and buckle detail.

REPRESENTING

MATU MATU **HARLOTS & RAKES**

Matu Matu clothes are a mix bag of tricks, they are the 1980s that's been chewed up and spat back out again!

FairEast is about beautiful fashion and accessories which are crafted, traded and brought to you without compromising ethics and without damaging our environment. FairEast has unique access to small-scale, tribal cottage industries that have been using the same hand-weaving and natural dyeing processes for centuries. Their communities benefit from this reliable trade and we all benefit from beautiful handmade products that have not cost the Earth.

REPRESENTING

BANTUM These succulent pieces of cloth are served up in small sizes only; Bantum-weight and Flyweight, that's cos its founder Beryl is a Bantum (Chabo in Japanese); a mini breed of chicken. If you're like Beryl and you don't want your jeans weighed down when you're funk'ing out try spy the secret pockets that have been hand crafted onto select sweats for your mobiles, cash and toothbrushes.

Carolynn Aitken is specialised in traditional methods of printing by hand and the use of high quality technical printing. Established collections include applying her lucid, elaborate colour with well structured patterns and composition to various products such as dresses, t-shirts and fashion accessories. Doing commission based work before Carolynn is now bringing her collection to the market place where products will also be available on a made to order bases.
