

Launched to critical acclaim!

Karen B

This season Karen B's collection has been inspired by the grand architecture of colonial Britain and the intricate detail of the minute insect Beauty is all around and in the eye of the beholder.

Think of the great Vivienne Westwood intertwined with the functionality of the 1940's "New Look". Add a sprinkle of the 1920's throwing off their shackles!

Structure is achieved by the clever mix of internationally sourced fabrics that provide a rigidity for the design with cut out holes and asymmetric lines. However form is softened with the use of silk chiffons and satins to provide Avant-Garde ruffles, pleating and rouching. The style is unmistakable.
