

Launched to critical acclaim!

Lan Cam Lui

LAN CAM LUI specialises in textured, innovative and funky knitwear catering exclusively for exclusive women.

The garments are unique in style and effect as their inspiration and focus is on the yarn, knitwear patterns and simple shapes of the garment combined together. These designs create volume with an added touch of sexy appeal.

Each garment style is intensively designed with every seam and hem hand stitched to provide an excellent and delicate tailoring refinement. Selection of colours and yarn are available. Made to order services apply but this needs to be confirmed and agreed.

LAN CAM LUI garments are made to be noticed in.

Designer profile: **Lan Lui**

My interest in knitwear began when I was introduced to a knitting machine in my A-Levels, from which I then specialised in my BTEC foundation diploma.

The style of my clothing is heavily influenced by traditional knitting patterns and the sculptor of the human body as it is made for the body.

Having seen the same old stereotype link of knitwear - granny sweaters and cardigans - I decided to launch my own brand so that I could produce my own vision of knitwear in the hope of broadening people's minds about knitwear clothing and I have never looked back since."
