

## Launched to Critical Acclaim!

Designer Ivan Lan has taken inspiration from modern, minimal interior details and created a stunning women's wear collection featuring sharp tailoring with geometric shapes against soft feminine draped lines. The inspiration has evolved from interior detailing such as sharp wallpaper patterns; adaptations of trims such as large curtain eyelets and crisp linear effects taken from blinds alongside soft ruffled layers of curtains. These details transform into a collection of unique wearable forms.

Lan has achieved a BA (Hons) from the London College of Fashion and an MA from University of Westminster. With the success of the previous collections, we are excited to present this 3rd collection of YUCHI. The brand is based in London and is selling to private clients internationally and on YUCHI's E-Boutique.
